

# SPRING PLAYER EVALUATIONS

**ALL EVALUATIONS WILL BE HELD AT ROCK CREEK.**

Players should try to be present for evaluations; however, it is not mandatory. All players will be placed on a team regardless of attendance or performance at evaluations.

Players not present for baseball and softball evaluations will automatically receive a "2" rating (in a 1-3 rating system) UNLESS the coaches determine that the player should be rated differently.

Volleyball coaches will determine the rating system for volleyball evaluations.

**Coaches will contact their players in the days following the evaluations.**
